IRINA CORNIDES APPOINTED CEO OF JACKPOTJOY DIVISION

London (UK) 12 June 2017 - Jackpotjoy plc (LSE:JPJ) (the "Company"), the largest online bingo-led operator in the world, is pleased to announce the appointment of Irina Cornides as CEO of the Jackpotjoy division.

The Company's Jackpotjoy division, which is its largest division and has a 22% market share in the UK, was acquired from the Gamesys Group in April 2015 on an earn-out, and its main brands - Jackpotjoy, Starspins and Botemania - currently operate on proprietary software owned by Gamesys. Irina Cornides in her new role will act as the primary point of contact and a management intermediary between Jackpotjoy plc and Gamesys. Irina will be tasked with maintaining the existing strong relationship between the two parties, along with helping to set the strategic direction for the Jackpotjoy division and overseeing the running of the brands after the earn-outs conclude. Irina will report to Jackpotjoy plc CEO, Andrew McIver.

Irina was most recently Chief Revenue Officer of Intertain Bahamas', the holding company for the operating assets belonging to Jackpotjoy plc, where she was responsible for harnessing synergies across the Company's P&L divisions and creating strategies to drive growth. Irina joined Intertain through the acquisition of Mandalay Media in 2014, where she served as Managing Director.

Her prior industry experience spans over a decade and includes roles at Party Gaming (bwin.party / GVC) both pre-and-post IPO. Irina holds a Bachelor of Science (BSc) in Economics from the University College London and a Master of Science (MSc) in Management from the London School of Economics.

Jackpotjoy CEO, Andrew McIver, said: "We are delighted that Irina has accepted a key role in our operating subsidiary, as she brings a wealth of experience and has demonstrated her ability to successfully grow and maintain our businesses. Irina has a deep understanding of the Jackpotjoy business and our relationships with Gamesys, who fully support her appointment."

Commenting on her new role, Irina Cornides added: "I am very excited about this role. Although Jackpotjoy is already the leading bingo brand in the UK, we have big plans to further enhance player experience and grow the business. I look forward to working with the team to deliver the next phase of the Jackpotjoy vision."
